

CiSTUP UNDERGRADUATE SUMMER INTERNSHIP PROGRAM 2018

The Center for infrastructure, Sustainable Transportation and Urban Planning (CiSTUP) is inviting applications from undergraduate students (current or recently graduated) for a summer internship program from May 15 to July 16, 2018

- Participate in research on a wide range of topics including public transportation, shared mobility, and traffic flow.
- Applicants must submit a CV, a scanned copy of their most recent transcript and a reference letter from a faculty.
- Stipend will be provided but students have to arrange their own accommodation.

INDIAN INSTITUTE OF
SCIENCE (IISc) Bangalore

Are you keen on
solving
transportation
problems?

Does programming
and math modeling
excite you?

Apply online before
March 10

Open to students
from all disciplines
